

Oaklands  
Infant School

Oaklands  
Junior School

**Online Safety FREE Workshop**  
**for ALL Oaklands Infant & Junior School Parents/Carers**  
**on Wednesday 17<sup>th</sup> January 3.30 – 4.30 pm (Oakland Junior School Hall)**

**Will you join us and help keep all children safe online? We want to help every family talk about and understand their children's online world and help keep them safe**

O2 and the NSPCC have joined forces on a mission to help all children and their families in the UK stay safe online. Together, they're offering useful tools, support and guidance to help parents and carers have conversations with their children about their online lives.

**Online safety workshops for parents and carers**

As part of this, they're running free **online safety workshops for parents and carers** and will be hosting one at Oaklands Junior School at 3.30pm on Wednesday 17<sup>th</sup> January. We would like to invite all parents and carers to join. We will be providing a classroom and a member of staff to supervise any children during the workshop session; no children should be brought to the workshop.

This free hour-long workshop is a great opportunity to gain skills and knowledge to understand the internet and technology as children do – from online games and cyber bullying, to setting up privacy settings and controls. It will help parents and carers understand their child's online world and build confidence to have those important conversations that can help keep children safe online.

Delivered by trained NSPCC staff and volunteers, the free workshops enable parents to come together to learn how to keep their children safe online.

Don't miss out on this great opportunity.

Many thanks,

*KJ Davidson*
