To Whom It May Concern

RE: Bohunt School Arborfield

I am writing to you as the Executive Member for Children's Services at Wokingham Borough Council.

It has come to my attention from the three local borough councillors that for some considerable time that there has been a rumour going around that those living in the Wokingham Without Ward south of the Nine Mile Ride, who have Edgbarrow School as their secondary catchment school, would be moved to the new Bohunt School in Arborfield, some 5 miles away.

Can I please ask you help to try to quash this rumour? I can assure you that there has never been any intention by either Wokingham Borough or Bracknell Forest councils to alter the existing catchment areas. I realise that this rumour has caused concern for many parents and efforts to tell everyone the situation to date have not got the necessary assurance to everyone. For clarity I again stress that the catchment areas in this area are not planned for any changes. I am asking that you pass this message on by whatever communications or social media that you use with you committees and the parents.

Thank you for your attention in this matter

Yours Faithfully
