Dear John

OFSTED SECTION 8 INSPECTION – 5 OCTOBER 2016

Following the publication of your inspection letter, I am writing to congratulate you, the whole staff team and fellow governors for the judgement of a good school that the school has maintained through this short inspection. I was very pleased to hear and to read about your success.

I am writing to offer my thanks and congratulations on this excellent outcome. I know from information provided by your School Improvement Officer that the senior staff and governors have worked tirelessly and with determination to keep the judgement of a good school. Indeed your OFSTED Inspector noted this, along with how well the school has worked on areas for improvement since your last inspection. Indeed you and your governors were also noted for your ability to know your school well and work as an effective team and for this I thank you.

May I offer my thanks and congratulations once again, and wish you and your fellow governors continuing success in the future.

Yours sincerely
