

Oaklands Junior School

Acting Headteacher:
Mrs H West

18th March 2014

Dear Parents/Carers,

Field Repairs

From next Monday, 24th March, the junior school field will be out of action before, during and after school, as work begins on repairing our field.

We ask that for your **own safety** and the **safety of your children** that you keep well away from the field when dropping off and collecting your children, as the field will be sprayed with a chemical weedkiller at the start of the work. It is therefore very important that you **do not** allow children to walk on the field or touch the grass during this time. We will also be alerting the children to this in school. The area will be appropriately roped off.

Work will then follow on levelling and re-seeding, so there will be workmen on site with vans, lorries and equipment, but movement of any vehicles or equipment will be restricted during the beginning and end of the school day, when the playground is busy.

We anticipate that the field will be out of action for most of the Summer term, so please do not go onto the field until further notice. We will be holding our usual sports day but this might be at a different venue; you will receive more information once this has been confirmed.

Thank you for your co-operation.

Yours faithfully,

A handwritten signature in black ink that reads 'H West'.

Mrs. H. West,
Acting Headteacher
