Dear Parents/Carers,

As part of our Topic on Space, the children in Year 5 will be making “space biscuits” later this term. They have been studying biscuits and packaging and on the day, they will be working in small groups to prepare their own recipe for space biscuits. We will provide the ingredients for the basic recipe and a selection of optional ingredients. However, children may also bring in additional ingredients to make their biscuits unique if they wish. Any additional ingredients will need to be no more than 25g and must be capable of being baked in an oven; standard sweets or fudge are not suitable and will not be permitted – NO NUTS PLEASE.

We would be very grateful for any volunteers that can help in our kitchen on the mornings of Monday 10th December (5D) or Wednesday 12th December (5N). Please return the slip below to your child’s class teacher.

Thank you in anticipation!
