4th February 2019

Dear Parents/Carers,

As you are aware, Oaklands Junior School is running a number of activities during Children's Mental Health Week.

One of the activities we are running on Friday 8th February is a Non-uniform day centred around "colours that make you happy". Your child can wear colours that represent feelings of happiness and they will then be asked to explore the reasons for choosing those particular colours during class activities. We would ask that all non uniform clothing is sensible in nature, particularly for this time of year and would request that girls do not wear items such as crop tops.

We will be asking for a voluntary contribution of £1.00 per child to help fund the other activities that will be running over the course of next week. There are still places available for all the workshops so please let us know if you would like to attend; another copy of the reply slip is attached.

Kind regards,

A handwritten signature in black ink that reads "H West".

Mrs. H. West
Headteacher
