Dear Parents/Carers,

Recently the school has started to use an online, individualised tutoring programme called Maths Whizz for selected Year 4, 5 and 6 pupils. They are able to access this at home as well as at school, and Maths Whizz claim that a minimum of 60 minutes practise weekly will lead to accelerated progress in basic Maths skills – as we have only been trialling this for a short time, we cannot confirm this as yet!

Some parents have asked us how they can enrol their other children, as the Maths Whizz curriculum is suitable for all pupils from reception to Year 8. Maths Whizz have confirmed that if you inform the school that you wish to do this and pay online via Tucasi, they will honour the school price of £30.00 per child per annum, rather than the £149.00 per annum advertised on their website.

If you feel that this may be of interest to you, please have a look at their website:

<https://www.whizz.com/parents/about-maths-whizz/>

If you then wish to purchase a subscription for your child, please inform us by email to:

[admin@oaklands-jun.wokingham.sch.uk](mailto:admin@oaklands-jun.wokingham.sch.uk)

**The closing date for expressing your interest is Wednesday 3<sup>rd</sup> April.** We will then set up a Tucasi link for you to pay; once payment has been received, **closing date 22<sup>nd</sup> April**, we will inform Maths Whizz who will provide log-in details for us to forward to you.

*Please note – if your child is already using Maths Whizz, there is no need to do anything; their access will continue.*

Yours faithfully,

Mrs. H. West  
Headteacher
