AFTER-SCHOOL PROGRAMMES THAT SPARK IMAGINATIVE LEARNING

Mad Science is the world's leading fun science provider of after-school programmes that combine education and entertainment in a unique way!

Our Mad Scientist will take your child on a journey into the exciting world of science with cool demonstrations and activities. They won't just watch but get hands-on in every session with our best selection of wacky, gooey and awe-inspiring experiments! Our hands-on, one-hour science programmes will give your child further knowledge, experience and confidence to explore the wonderful world of science.

Our programmes are diverse and all encompassing and children also receive a Mad Science take home experiment card or giveaway item each week, so the fun and learning can continue at home!
