Dear Parents/Carers,

Firstly, I should like to thank those of you who responded to this year's parents' questionnaire, which is currently being analysed. We had far more responses this year than ever before, meaning that it gives us a much more accurate picture of how you and your children view the school. Mrs West and myself will now look at all the comments to consider the areas where we can make improvements. However, we should also like to thank you for your very positive comments, which show how much you appreciate and value the hard work of all the staff. You will receive an overview of the results once the analysis has been completed.

Governors will be in school on Tuesday June 11th, when they will be spending the morning seeing the school in action, in classes, assembly and at lunch, before having our meeting in the afternoon. This is always a wonderful opportunity for us to see the children and the staff in action and I should like to thank Mrs West for arranging it, as well as all the teachers who always make us so welcome.

We thought that this would be an opportunity for those of you who would like to talk to us about anything, both positive and negative, or indeed if you have any questions about the work and responsibilities of the Governing Body. Therefore we should like to invite you to the library before school, from 8.45am, or after school from 3.00pm, when tea and coffee will be provided.

I look forward to seeing a number of you then.

Yours faithfully,

A handwritten signature in black ink that reads 'Liz James'.
