

Pupil Premium 2018-19

Our mission is to widen horizons, closing the gap academically and socially.

The Pupil Premium team:

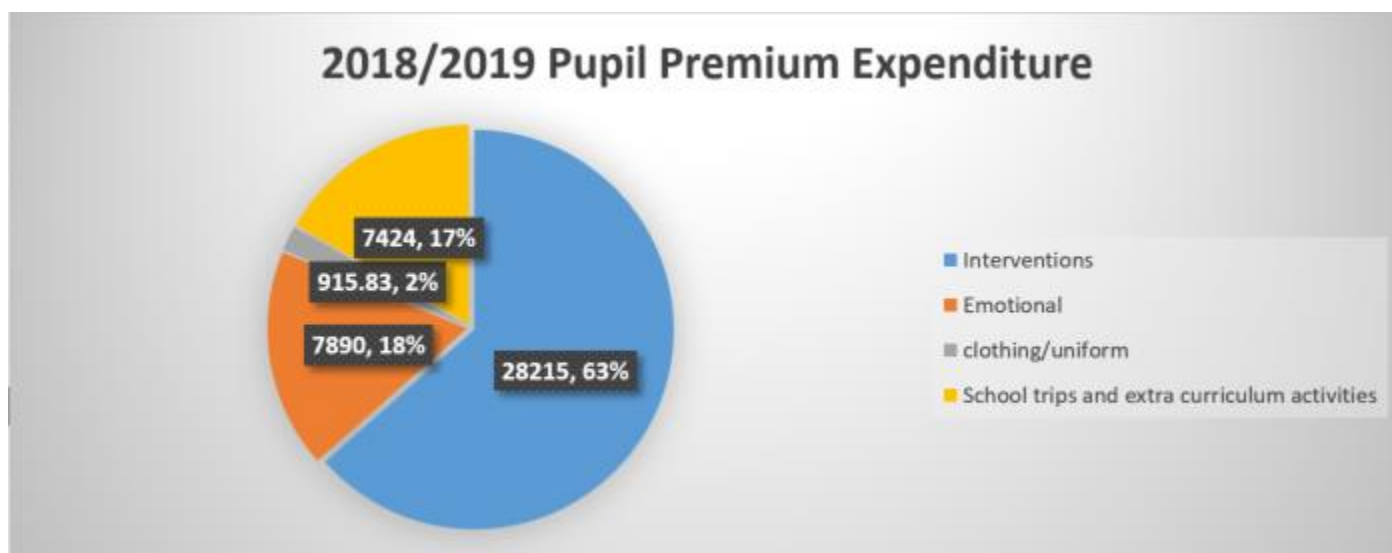

Pupil premium leader and Champion: Avril Burrows (SENCo)

Pupil Premium governor: Justine Waight

Parent Support Adviser and Young Carer Support: Nikki Lenon

Bursar: Pauline Cooper

At the start of the academic year, we had 9 pupils who were eligible for Free School Meals. In addition we had a further 5 pupils termed Ever6 which means that in our October census, these pupils were eligible for free school meals at any time during the previous 6 years. This year we also received additional funding for our Looked After/Adopted pupils. Our total Pupil premium allocation for this financial year was £44,311; our total spend was £44,445.

Additional Provision this year:

Diminishing the difference

QT-led literacy and maths small group boosters benefited pupils in Years 5 and 6, with the support moving to Year 5 post-SATs. HLTA-led literacy and maths small group boosters benefited pupils in Years 3 and 4. Educational trips, including residential, were fully funded. 'Relaxkids for SATs' enabled the target group to show their true ability during a potentially stressful week, a 'Brush Party' session boosted self-esteem for pupils throughout the school nominated by their class teachers and 'Mathswhizz' proved very successful at raising basic maths skills. Tickets for all school events such as the Junior Disco and Bonfire Night fireworks display are offered to all PPG families.

Extended Day

Homework Club provided both an after-school and before-school session. The club was staffed by TAs, and sometimes teachers, from both the lower and upper school. Attendance continues to be by invitation only for all year groups; drinks and snacks are provided to keep the children alert during their extended day.

Parent Support Adviser (PSA)

Our Parent Support Adviser continued to liaise with our PP leader and PP Champion to source opportunities for out of school activities to support the PP children's needs and ambitions. New activities this year included 'Sewisfaction' sewing lessons and 'Delights of Italy' cooking sessions

Children's Voice

Pupil feedback continues to be sought at the end of any intervention, academic or social.

Parental Voice

Our Pupil Premium leader and Parent Support Adviser invited the parent/guardian of each PP child to seek their views on how we could support their child and the family. These conversations led to PP money being used to fund IT equipment and support in the home, a before-school session of Homework Club, in-school Relaxkids groups, a visit to 'The Big Bang' event at Winchester Science Park and a trip to hear Anthony Horowitz speak about his latest book at the 'Henley Children's Literary Festival'. These are just a few of the ways that we have tried to endorse and encourage our PP children's dreams and ambitions.

Transition

Parents/guardians of new Year 3 children were invited to individual meetings in the first few weeks of the new academic year.

Support for secondary school transition is now established, with links to all local secondary schools. New uniforms, PE kit and equipment are ordered through us to be home delivered; end of Year 6 "leavers hoodies" are payed for. Our Parent Support Adviser is liaising with the secondary schools regarding the possibility of Summer Schools.
