

Oaklands Junior School

Learning to think - Thinking to learn

NEWS UPDATE 22nd November 2019

New Teaching Assistant in 4L!

On Wednesday 20th November, Mr Elsey, CEO of Corvus, came to Oaklands Juniors to spend a day with staff and children in Y4. He had previously offered his services as a Teaching Assistant for a day and we took him up on his kind offer. He enjoyed his time with us and wrote the following:

"I thoroughly enjoyed my time with 4L. They are such a lovely bunch and it was good to start to get to know one or two individually. I have nothing but respect for the work that you do with Primary children. The atmosphere you create in the classroom is safe, positive and focused on learning with a huge chunk of enjoyment. The care and guidance you give to all the children both around their academic work and their pastoral and personal development is wonderful to watch."

Bob has now offered to do the same for other classes/year groups and plans to visit again next term, hoping to visit us (and each school in Corvus) once each term. We very much look forward

Children in Need

THANK YOU to all the staff, parents and children for their contributions towards this very worthwhile cause, whether this was through donations of money for our non-uniform day (wearing spots!) or through donating cakes. Y6s added to the total raised by selling cakes in the hall after school that day and did very well. The total raised overall was approximately £380. Well done everyone!

Baby & Children's Market

Saturday 30th November 2 – 3.30pm

FBC Centre, Finchampstead

Local mums & dads come along to sell their quality unused baby & children's items from birth to 8 years of age

www.babyandchildrensmarket.co.uk

Oaklands PTA

Just a reminder about the non-uniform day for donations towards Oaklands
