## To parents of children in Year 6

Dear Parents/Carers,

### Key Stage 2 SATs

At this time of year we are often asked how parents can help their children with homework and go over some of the information which may be relevant for the Year 6 tests. We recognise how difficult it is for parents to know exactly what the format and expectations are for these tests. It is always hard to strike the right balance between preparing children for the Year 6 tests in order to help them perform to their potential and making too much of the tests which results in unnecessary anxiety.

These publications have been updated and improved recently in line with the tests that will take place this summer. The SAT Buster books and bundles provide questions set out as in the SATs and are cheap, colourful and provide a comprehensive revision guide. The study books are a revision tool.

We are happy to bulk order these to save on postage and packing. It is entirely your decision whether or not you purchase any of these resources, the school's aim is simply to be helpful and point parents in the direction of useful materials. If you wish to place an order please complete and return the attached slip as soon as possible, and not later than Friday 7th February, please speak to your child's class teacher if you are unsure what books would be best suited. Cheques should be made payable to Oaklands Junior School; you will not be able to pay for these books online.

Yours faithfully

Mr. S. Alexander

Miss. R. Bland
