

## **Message from the Oaklands Junior School Governors**

Dear Parents & Carers,

We wanted to write to you to express our thanks for your continued support to the school, our dedicated staff and the Senior Leadership Team, who have worked exceptionally hard to keep the school open this week.

The welfare of the whole school community is paramount, and although it is a difficult time, we fully support the measures that the school are putting in place to support pupils after the enforced closure at the end of the week.

All the pupils have been amazing over the last couple of weeks, but we know this is going to be a worrying and stressful time for them and you. Please keep in contact with the school for help and support if you need it.

If you have any questions or concerns, please continue to speak to members of staff in the playground this week, or via email through the school office in the weeks to come.

We are immensely proud to be Governors at Oaklands Junior School, knowing the dedication of all the school staff and the way our school community can pull together in a crisis. Please keep yourselves safe.

Yours faithfully,

Oaklands Junior School Governing Body
