## EXTERNAL ASSESSMENTS

**“The quality of teaching seen during this inspection, the school’s accurate current progress information together with the work in pupils’ books all confirm that the majority of teaching at Oaklands Junior School is securely good or better.”**

**“Reading and mathematics skills across the school are particularly strong and writing is now broadly in line with national expectations and improving.”**

## NATIONAL CURRICULUM ASSESSMENTS

In May, pupils in Year 6 are assessed in the three National Curriculum core subjects:

- ◆ English (*Since 2012, the Key Stage 2 writing outcome is based upon teacher assessment, the reading outcome and the grammar, punctuation and spelling outcome is based upon an externally marked test.*)
- ◆ Mathematics
- ◆ Science (*Since 2010 science has been taken off the list and only a sample of schools are tested each year.*)

These Key Stage 2 tests are marked externally and the results are reported to parents along with Teacher Assessment information.

We also continue with our own well-established programme of assessment. This ranges from careful marking of daily work to standardised tests and regular teacher assessments to gauge children's overall progress. We do, of course, record and carefully monitor pupils' achievements in the National Curriculum subjects.

### **School Results**

These tables show detailed results for Year 6 pupils (on role at the end of May 2020), achieving each level at the end of Key Stage 2. The cohort contained 64 pupils.
