As before, please be aware that, for safeguarding reasons, we will be recording these sessions and, by allowing your child to join the call, you are giving consent for us to record and store the video. We ask that you ensure that your child is appropriately dressed for the call and the teachers will speak to them about how to behave during the call.

Please do not record this call or take photographs or screen shots as others have not given permission for you to do so.

Finally, please note that this call is not a 'live lesson', it is only for pupils and it is entirely voluntary. Please also note that if your child is attending school in the Key-Worker/Vulnerable Children Group, they will take part in the social catch-up only if enough staff and rooms are available.

If you wish to contact your child's class teacher to discuss this or any other issues, you can do so by emailing the school office. The class teacher or teaching assistant supporting home learning will also respond to questions on your child's relevant Teams Assignment chat reply box.

Yours faithfully,

A handwritten signature in black ink that reads 'H West'.
