

Library Update

In light of the Prime Minister's announcement on 4th January, we are having to suspend the "Select and Collect" service until further notice. We apologise for any disappointment that this may cause. Please be assured that we shall fulfil your requests as soon as we are able to resume this service.

Any customer aged over 70, or who is in a critically vulnerable category, can join our Lockdown Delivery Service. Please contact [Bracknell Library](#) for further details.

We are still offering computer sessions for essential use only for limited hours at staffed libraries. The slots must be:

- pre-booked via phone
- 30 minutes only, once a day
- for essential reasons only.

To access the building for your computer session you need to wear your mask, sanitise your hands at the entrance and register with the NHS Test and Trace app.

More information and libraries' contact details can be found on our [website](#).

Renewals

You can renew your items online (up to 2 times) or by contacting your [local library](#), just remember to have your e+ card number at hand.

Returns

You can return your library items in one of our drop boxes. We have letter boxes at the following libraries:

Ascot Heath, Bracknell, Birch Hill, Binfield (side door), Crowthorne and Great Hollands.

Our Digital library is always open.

You can enjoy hundreds of e-audio books, e-books, e-comic books, e-newspapers and e-magazines anytime and from anywhere using the [BorrowBox](#), [RBdigital](#) and [PressReader](#) apps or why not try our free music streaming and downloading service [FreegalMusic](#)?

The following e-books are available to download from BorrowBox for free. Please see the [library website](#) for details and instructions.

Children's Sessions

Once again we will be holding virtual library sessions every week day, from Monday to Friday, throughout lockdown. Sessions will include story times from local authors and Zoom time bounce & rhyme times.

Please follow us on [Facebook](#) for further information.

We will also include posts and resources that will assist parents with home-learning.
