Dear Parents/Carers,

Oaklands Juniors has always been a school that has been heavily involved in Cross Country. We have been proud that so many children have taken part each year in the Thames Valley Junior League. We have gained many medals and trophies from our many very fast runners, but also all participants have gained many valuable lessons in sportsmanship, perseverance and competitiveness. Above all else they have been great social events and good fun. It has been sad that over the last two seasons we have not been able to compete due to Covid-19.

We are therefore really excited to announce that we will be participating in the Virtual Berkshire Primary School Cross-Country Championship that Maiden Erleigh School are organising.

Anyone can take part, children do not need to have been involved in Cross Country at school in previous years. If you would like your child(ren) to take part, they will need to run the required distance for their year group and then submit using the Google form link below.

Date: Monday 25th - Sunday 31st January 2021

Year 3/4 - 1.5km

Year 5/6 - 2km

A certificate will be given to all children who participate, with a placing certificate awarded to anyone who finishes in the top three. It is also a team event, so the top four pupils in each category will become a team.

I hope that your family enjoys taking part in this Virtual Berkshire Primary School Cross-Country Championship.

Yours faithfully,

Mrs. S. Alexander
PE Subject Leader
