As lights go up, snow scenes appear in shop windows, excitement is growing for our late night shopping and carols event on 3 December.

This unmissable festive event in Crowthorne High Street is guaranteed to put you in the mood for Christmas!

Following the official opening at 5pm outside the library, you can expect a night of festivities including a brass band, Father Christmas and carol singers, all creating a joyful atmosphere. With shops and market stalls open until 9pm why not tick a few presents off your Christmas gift list.

Many of your favourite shops will be joining in the festive fun with special treats and surprises, so make sure you visit as many as you can. Why not finish off your evening with a hot chocolate or festive tipple in one of our many coffee shops.

We look forward to seeing you on the 3 December and to welcoming you back to the High Street.
