Dear Parents/Carers,

As you know, Ofsted have been very busy with their inspection of our school over the last two days. Unfortunately, we cannot share the result of this visit until HMI have reviewed all the documented evidence and the report has been finalised – we should be able to share this with you in approximately 3 weeks' time.

Thank you to all the parents who have kindly taken the time to respond to the Parent View Ofsted survey. In addition, we had some wonderful comments about our school that the inspector shared with us. If you would like to view the overall results of the survey, you can access this from the link below; then, if you click on 'print results', this allows you to view percentages and bar charts for the answers to each question:-

Our children have been absolute stars with speaking so eloquently to the Ofsted inspector within lessons or in small groups. He asked us to thank them all, which we did this morning in assembly and said how very proud we are of them.

Staff deserve to relax in the long bank holiday coming up this weekend as they have, as always, been amazing in all that they do for our children and this school.

Enjoy the bank holiday weekend!

Yours faithfully,

A handwritten signature in black ink that reads 'H West'.
