Dear Parents/Carers,

## Ofsted Report

We have this afternoon received our Ofsted report and we are very pleased to be able to share this with you all. We continue to be a good school and we are extremely pleased with this outcome, especially as at the time of our inspection, only 40% of schools managed to reaffirm their status as good. We are particularly proud to be recognised as having an ambitious curriculum for all pupils with high expectations and learning being well planned. Our continued commitment to enhancing pupils' wider development has also been celebrated with many opportunities for pupils to develop personally.

During Ofsted, our pupils spoke very well and enthusiastically about their learning, confirming that they feel happy, safe and secure in an environment which they described as being 'discrimination-free'. I am very proud of our children but also my staff, who work relentlessly to provide the very best education possible in a fun and exciting way. We are a unique school in not only being a Thinking School but also the only school who has a dedicated educational psychotherapist as a member of our staff, supporting children's mental health and emotional wellbeing. We also have a very experienced parent support adviser who bridges the gap between infants and juniors, in knowing our children and supporting families as they transfer to Oaklands Junior School from our Infants.

Enjoy reading our latest report and know that we will continue to do the very best we possibly can for our children and our families.

Kind regards,

A handwritten signature in black ink that reads 'H West'.

Mrs Hazel West  
Headteacher
