Dear Parents / Carers,

Voluntary School Contributions

Oaklands Junior School is incredibly grateful to every parent and carer that supports our school with a voluntary contribution. There is no pressure on any family to make a payment; however, your contribution helps our school to provide a wider variety of learning activities that would not normally be available.

Due to ever increasing budget constraints, it is becoming more difficult to supply the range of quality tools and materials required for Technology, Art, Craft, Needlework and Cooking, which form part of our Creative curriculum. Online learning aids such as Maths Whizz or Doodle Learning, and Nessy are invaluable but very expensive to lease.

We are asking parents for a voluntary contribution of £20 per child for this academic year. Should you feel able to donate more, then you would not be limited to this amount, and equally, we will be grateful for whatever donation you are able to give. Every contribution is spent on the children, enabling them to take full advantage of all the planned learning activities. I hope you will agree that Creativity is so important to our children's education and with your support, we can inspire our young designers of the future with a greater variety of quality tools, materials and learning aids.

You will be able to give an online voluntary contribution using your Scopay account at <https://www.scopay.com/login.html> However, you are also welcome to pay either by cash or cheque (please make cheques payable to Oaklands Junior School). Your support with any contribution will be very much appreciated.

Yours faithfully,

Mrs. Hazel West
Headteacher
