Friday 9th December 2022

Dear Parent/Carer,

We have some exciting news about our 'in-house' Christmas Fayre which will be held for just our junior children on the morning of Monday 19th December.

An important part of our Maths curriculum, as well as life skills for our children, is to be able to work out what can be afforded within a limited budget by making considered choices. A small Christmas Fayre is an ideal way to learn in a fun and practical way!

On Decoration day, our children made extra items to sell to their peers. These range from hot chocolate cones to home-made Christmas crackers. Alongside sales, we will also run traditional Christmas Fayre games to add to the fun. Games will be 25p a go and the items for sale will range from 25p-£1.50. We ask that children do not bring into school any more than £4, so that everyone may have the opportunity to buy something if they so wish. Unfortunately, we cannot give any change for bank notes so we hope you will understand.

In addition, there will be a range of free activities for the children to enjoy without the need for any money. Part of the morning preparation will be for the children to sign up to running and helping on stalls as well as working out what they may want to try or buy. At the end of the day if there are any items left for sale, we will run a stall out on the junior playground for the children/parents.

Tokens will be needed for purchases/games, with money being exchanged (1 token = 25p). To help us with making sure the children have their tokens for the 19th, we would request that children bring in their £4 (or less) by no later than Thursday 15th December.

It would be a good idea for children to bring in a named shopping bag on the 19th December to help them carry anything home.

We look forward to our first Christmas Fayre with lots of excitement and fun!

Yours faithfully,

A handwritten signature in black ink that reads 'H West'.

Mrs. Hazel West,
Headteacher
