

Coronation Day T-Shirts

Our wonderful schools and local community will be holding events across Crowthorne to celebrate the coronation of King Charles III.

Edgbarrow student, Layla Richardson, is raising funds for a research expedition to one of the world's poorest countries where she will collect data to monitor the decline of environment biodiversity.

This t-shirt was designed by Layla, to commemorate the coronation. Unique to Crowthorne, and available in child and adult sizes, is perfect to wear at coronation events and makes the ideal souvenir to remember where you were on the day King Charles III was crowned.

For every t-shirt sold, a percentage will be donated to your school.

Order forms will be sent by email from your school
Please return your forms before 31st March
