## Parent Stakeholder Survey 2023

Dear Parents and Carers,

As a governing body we recognise the important role that you play in your child's education. Your opinions matter to us, and we are very keen to hear your views about what our school does well or what we can improve. Every year these results are analysed thoroughly. Governors make recommendations to Mrs West and the school for improvements that can be made, as well as celebrating all the fantastic feedback we receive.

The Parent Stakeholder Survey has been put together to seek your opinion about all aspects of the school. We are also very keen to listen to all your thoughts and ideas and would encourage you to note them in the comments sections. If there is anything you would like changed or improved, please tell us how this can be improved. This survey is completely anonymous. We do ask you to please share your child's class with us so that we are able to analyse the results by year group. If you have more than one child in school, please feel free to complete either one per child or one per family. The deadline for completion is Friday the 31<sup>st</sup> of March. We are very keen to make this exercise as meaningful and productive as possible for all those involved at Oaklands Junior School. We would like to encourage all parents and carers to respond, even if you have no specific feedback, as the higher the response rate, the better we can gauge the feelings of the school community. Thank you for taking the time to complete our survey and helping us to continue to raise standards.

Yours faithfully,

Mrs. C Kieran  
Chair of Governors
