

Foundation Stage Wish list

We are looking to revamp our Foundation Stage outside area. In order to do this, we need a range of items. If you have any of the following lying around in your shed or garage or you have contacts that could help we would be very grateful. Please contact school admin if you can assist.

Alongside the items below we are looking to replace the outside canopy and resurface the area. If you have any contacts with tarmac or construction companies then we would love to hear from you.
