On Thursday 13th July, children will have a transition session with their new teachers. At the end of school that day, all teachers will be in their classrooms as above for next year, if you would like to meet them.

The current Year 2 classes transfer to our Year 3 teachers in their original classes, so it is usual for these to be mixed by us at the end of Year 3, once we have had a chance to get to know our children, along with any new children who join us. We will always inform our Year 3 parents by summer half term when the mix is due to take place so there will be an opportunity for parents to share relevant information with my teachers that you want us to be aware of, whether this is historic or current.

We are pleased to confirm that we will be fully staffed for September.

Yours faithfully,

Mrs. H. West
Headteacher
