

Dear Parent/Carer,

**Clubs & Teams / Local Community**

Attached is a list of external clubs that have started, or are due to start, at Oaklands. Please have a look and see if your child would be interested. Links to these clubs can be found on our website under [Clubs, Teams and Music Lessons](#).

We will be updating this page with any free clubs run by staff in the next week or two.

Remember to take a look at our [Local Community](#) page for any other clubs running locally as well as other events and courses – for both children and adults!

**Weduc**

If you have not already downloaded the Weduc app, please do so as all communications are being sent this way. If you have not received an enrolment code, please e-mail the office asking for one.

**Troubleshooting:** If you have downloaded the app and can only see one of your children, please contact the school office for help. If you have children at two different schools you may need another code to sync them together.

Please note that any adults with parental responsibility must have different e-mail addresses to be able to download this to your phone.
