Dear Parents/Carers,

## **Voluntary School Contributions**

Oaklands Junior School is incredibly grateful to every parent and carer that supports the school with a voluntary contribution. There is no pressure on any family to make a payment; however, your contribution helps the school to provide a wider variety of learning activities.

Due to ever increasing budget restraints it is becoming more difficult to supply the range of materials required for Technology, Art, Craft, Needlework and Cooking, which form part of our Creative Curriculum. Online learning aids such as Doodle are invaluable but very expensive to lease. Your contribution will help fund the continued use of these applications or similar.

This year we are asking parents for a voluntary contribution of £40 per child so that we can supply a wider variety of materials that the children can use during the academic year. Should you feel able to donate more, then you would not be limited to this amount, and equally, we will be grateful for whatever help you are able to give us. Every contribution is spent on the children, enabling them to take full advantage of all planned learning activities.

I hope you will agree that creativity is important to our children's education and with your support we can inspire our young designers of the future with a greater variety of quality tools, materials and learning aids.

If you would like to make a voluntary contribution you can do so by using our [Just Giving](#) page. We would prefer payment online, but you can pay either by cash or cheque (please make cheques payable to Oaklands Junior School).

Your support is very much appreciated.

Yours faithfully,

A handwritten signature in black ink that reads 'H West'.

Mrs H West  
Headteacher
