Thursday 7th March 2024

Dear Parents/Carers,

Easter Egg Competition **Olympics Paris 2024**

We are very excited to share with you our traditional competition for children to create a shoebox-sized scene relating to the chosen theme. Children can use either blown eggs or any 'egg shapes' that could be made from polystyrene, wood, paper-maché or any other suitable material – the choice is theirs. The most important part is that the scene is something that celebrates the Olympics.

Details of this competition were shared in an assembly today. Any entries should be brought into school by Thursday 21st March. Judging will take place at the end of the day on Monday 25th March. Classes will have an opportunity to see all the entries and parents are invited to see the display in the library after school on Tuesday 26th March.

All entries must have the child/ren's name and class on the back. A title for the scene would also be useful. Children often ask if they can create an entry with a friend or in a group, which will be absolutely fine but if they win, they will need to share their Easter egg! There will be a main prize for the winner in each year group and a runner up prize. All entries will receive mini eggs or Haribo sweets.

Good luck!

Yours faithfully,

Mrs H West
Headteacher
