

Aim

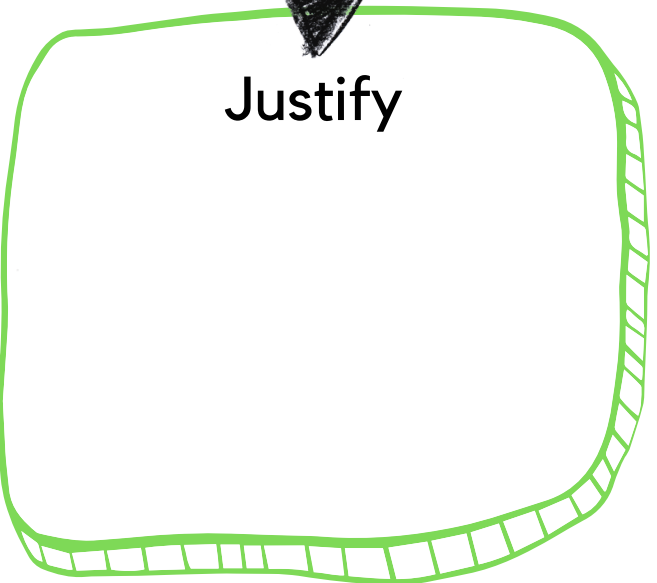

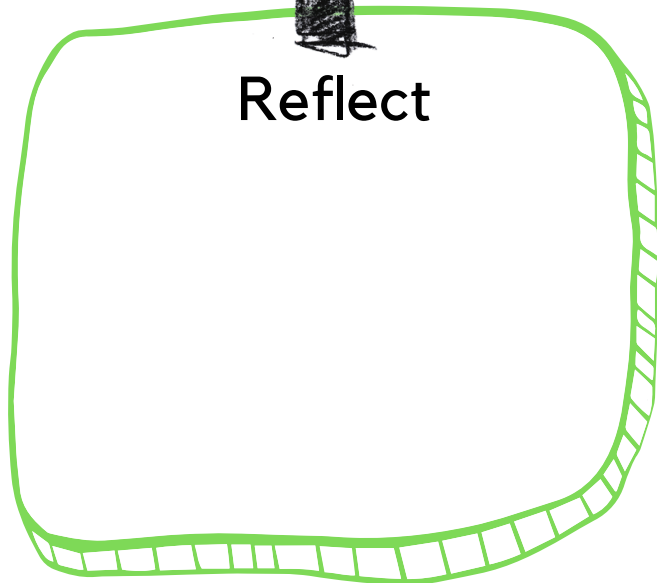

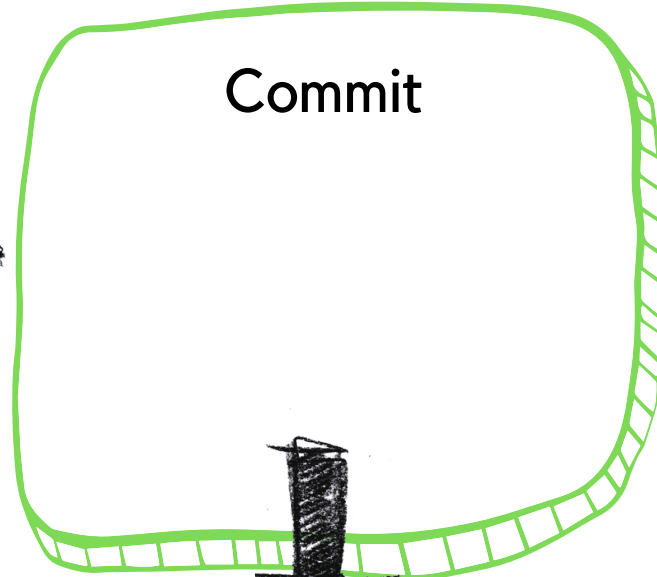

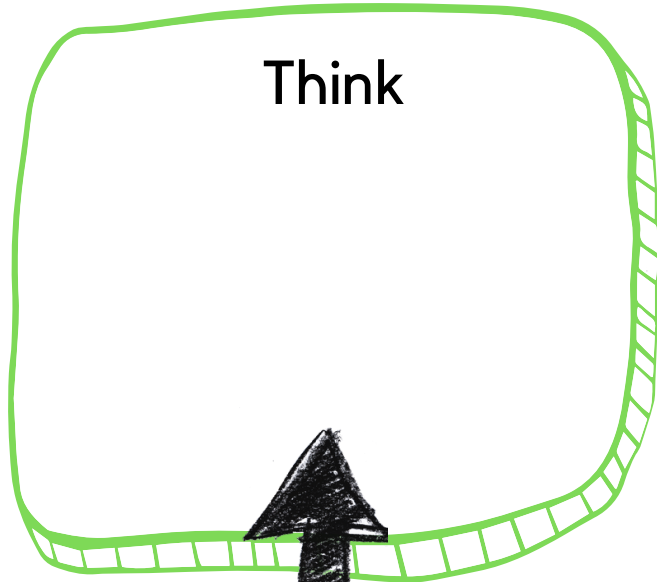

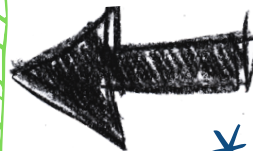

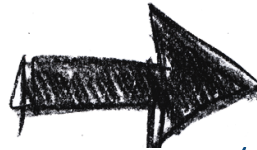

What are you trying to find out?

Think

Commit

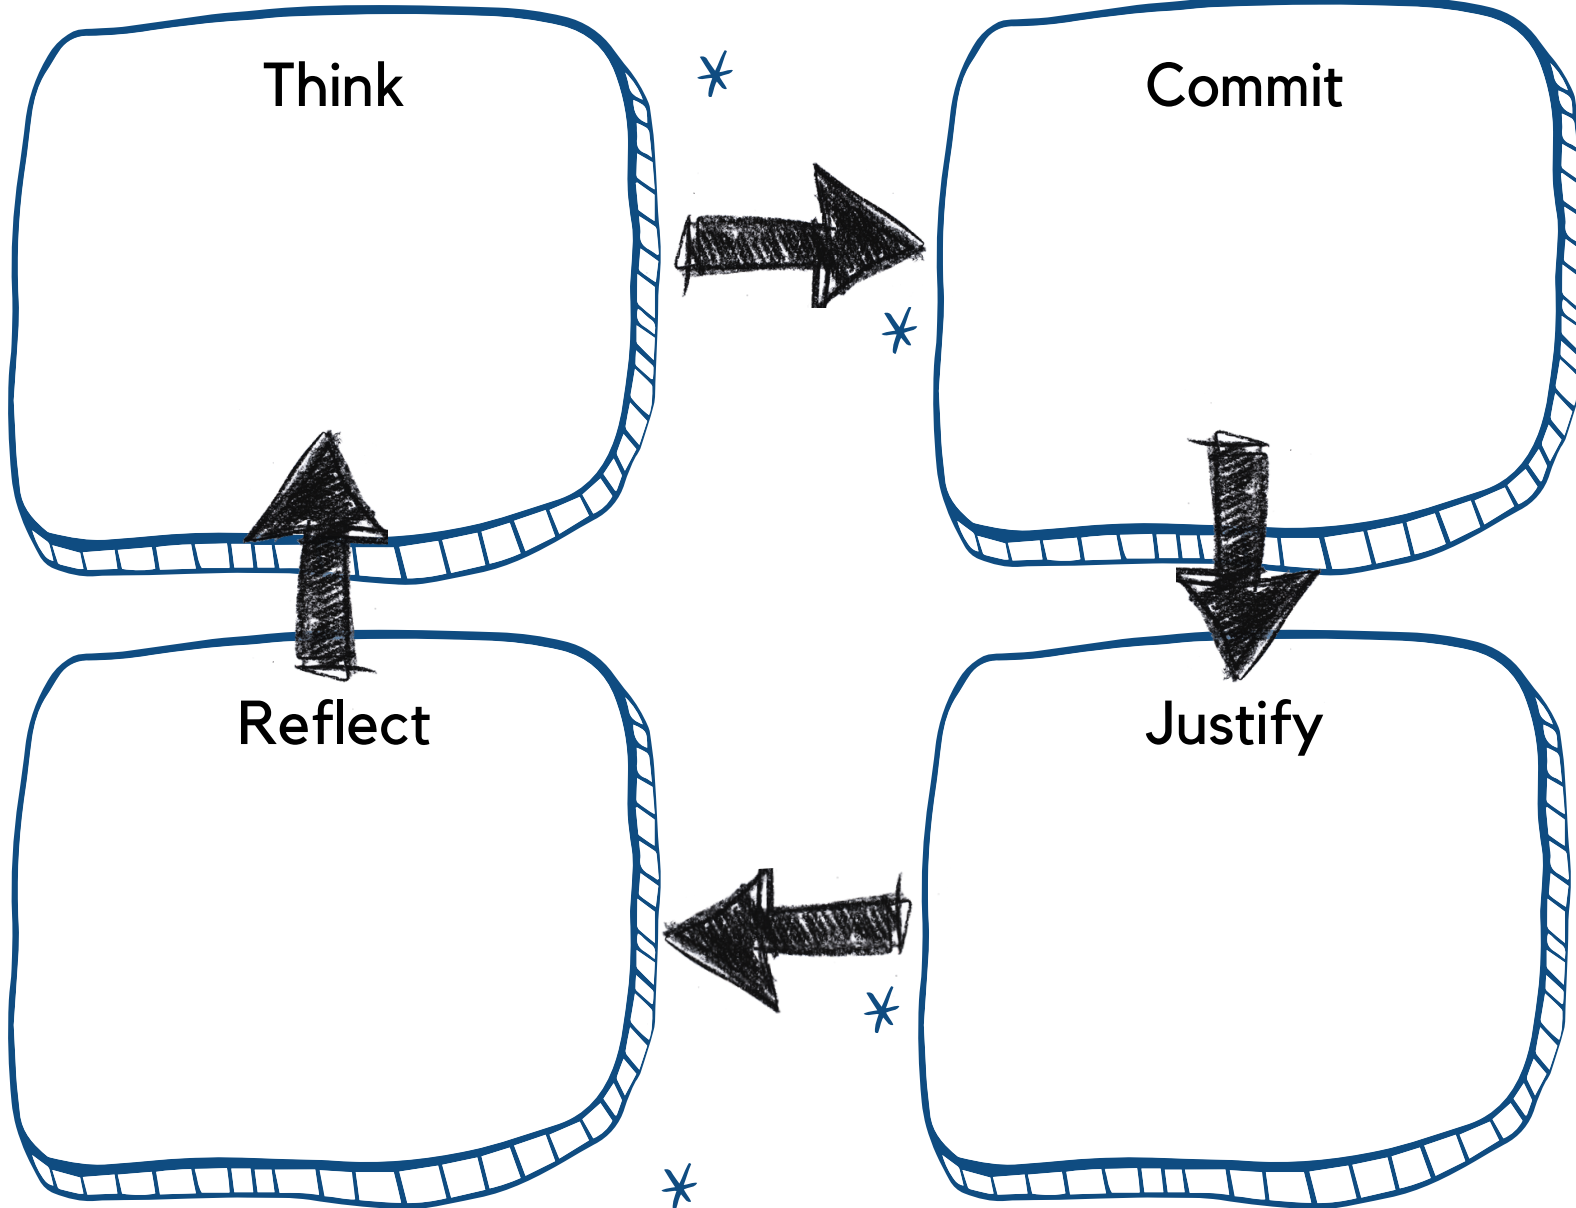

Reflect

Justify

Predictions

What do you think is going to happen?

Equipment

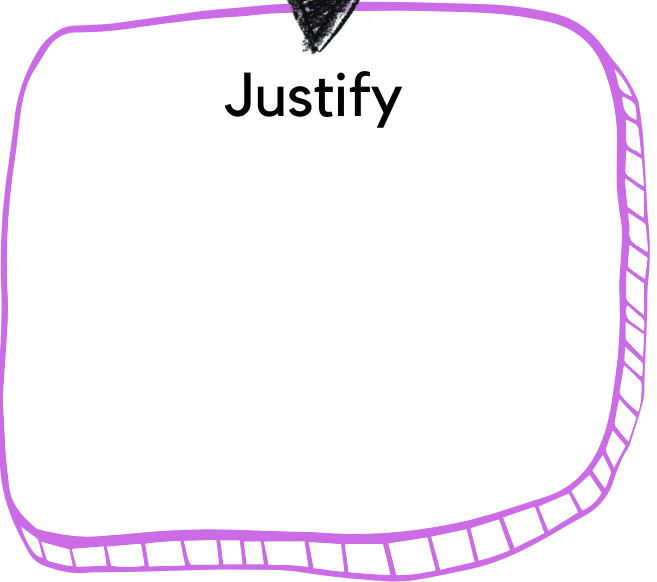

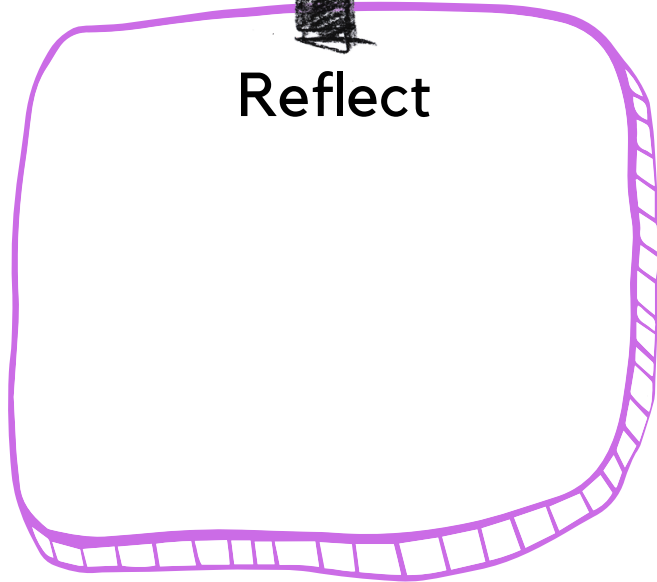

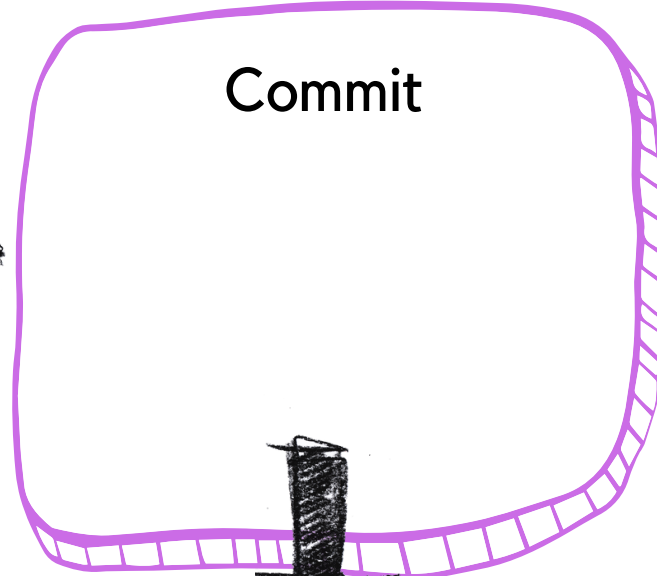

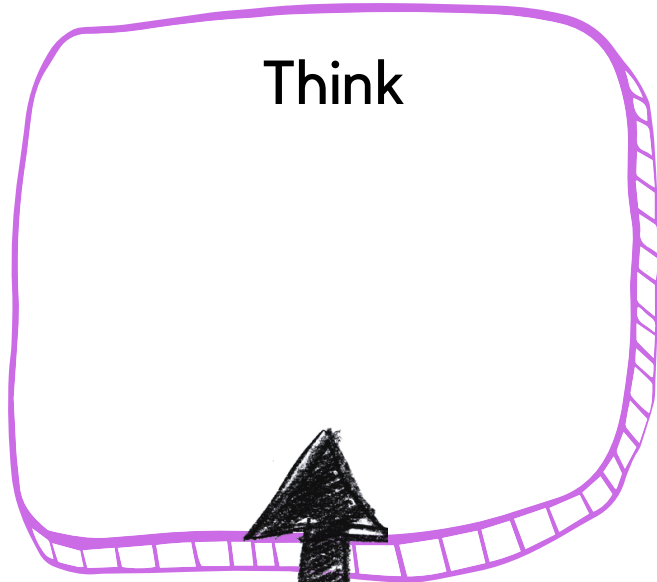

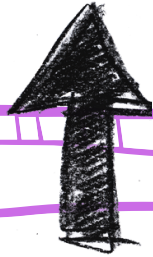

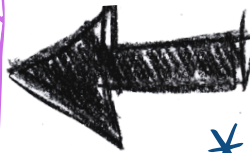

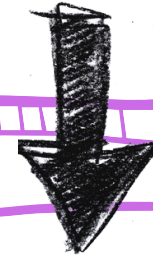

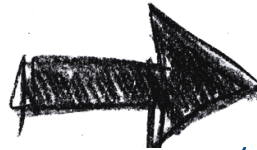

What are you going to need to do your investigation?

Think

Commit

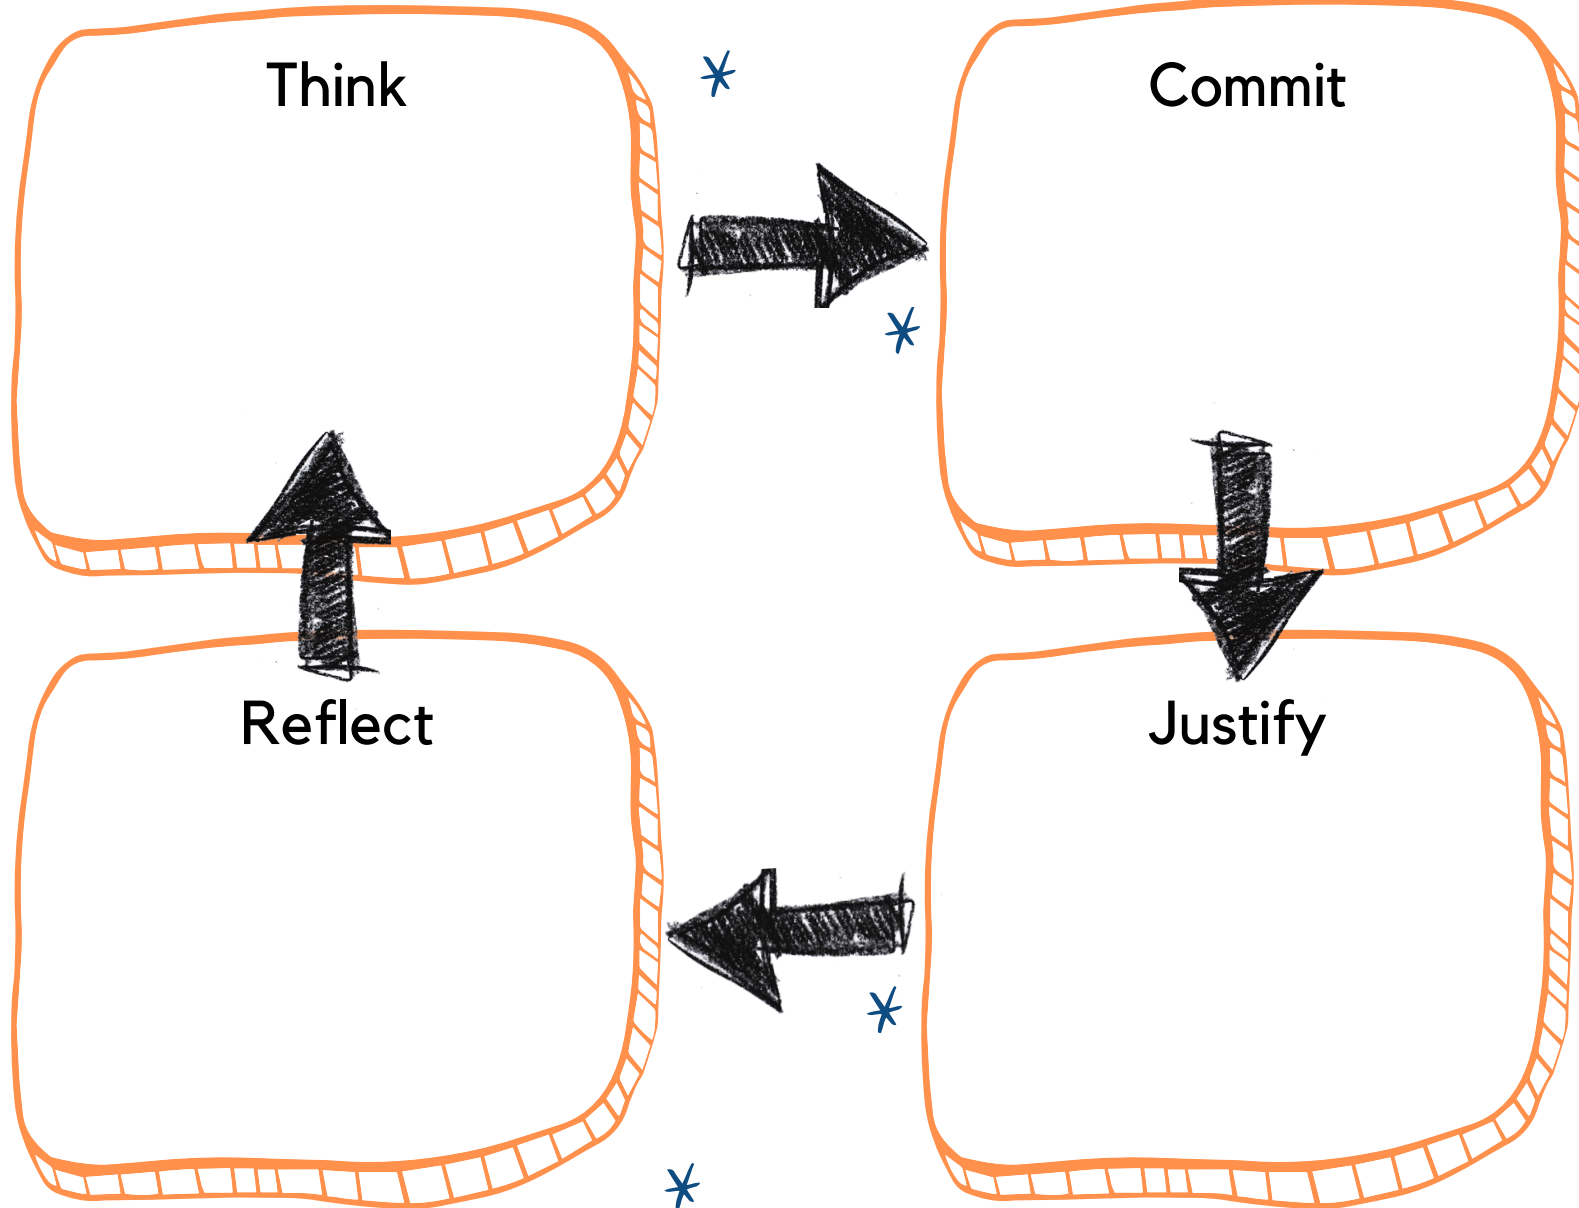

Reflect

Justify

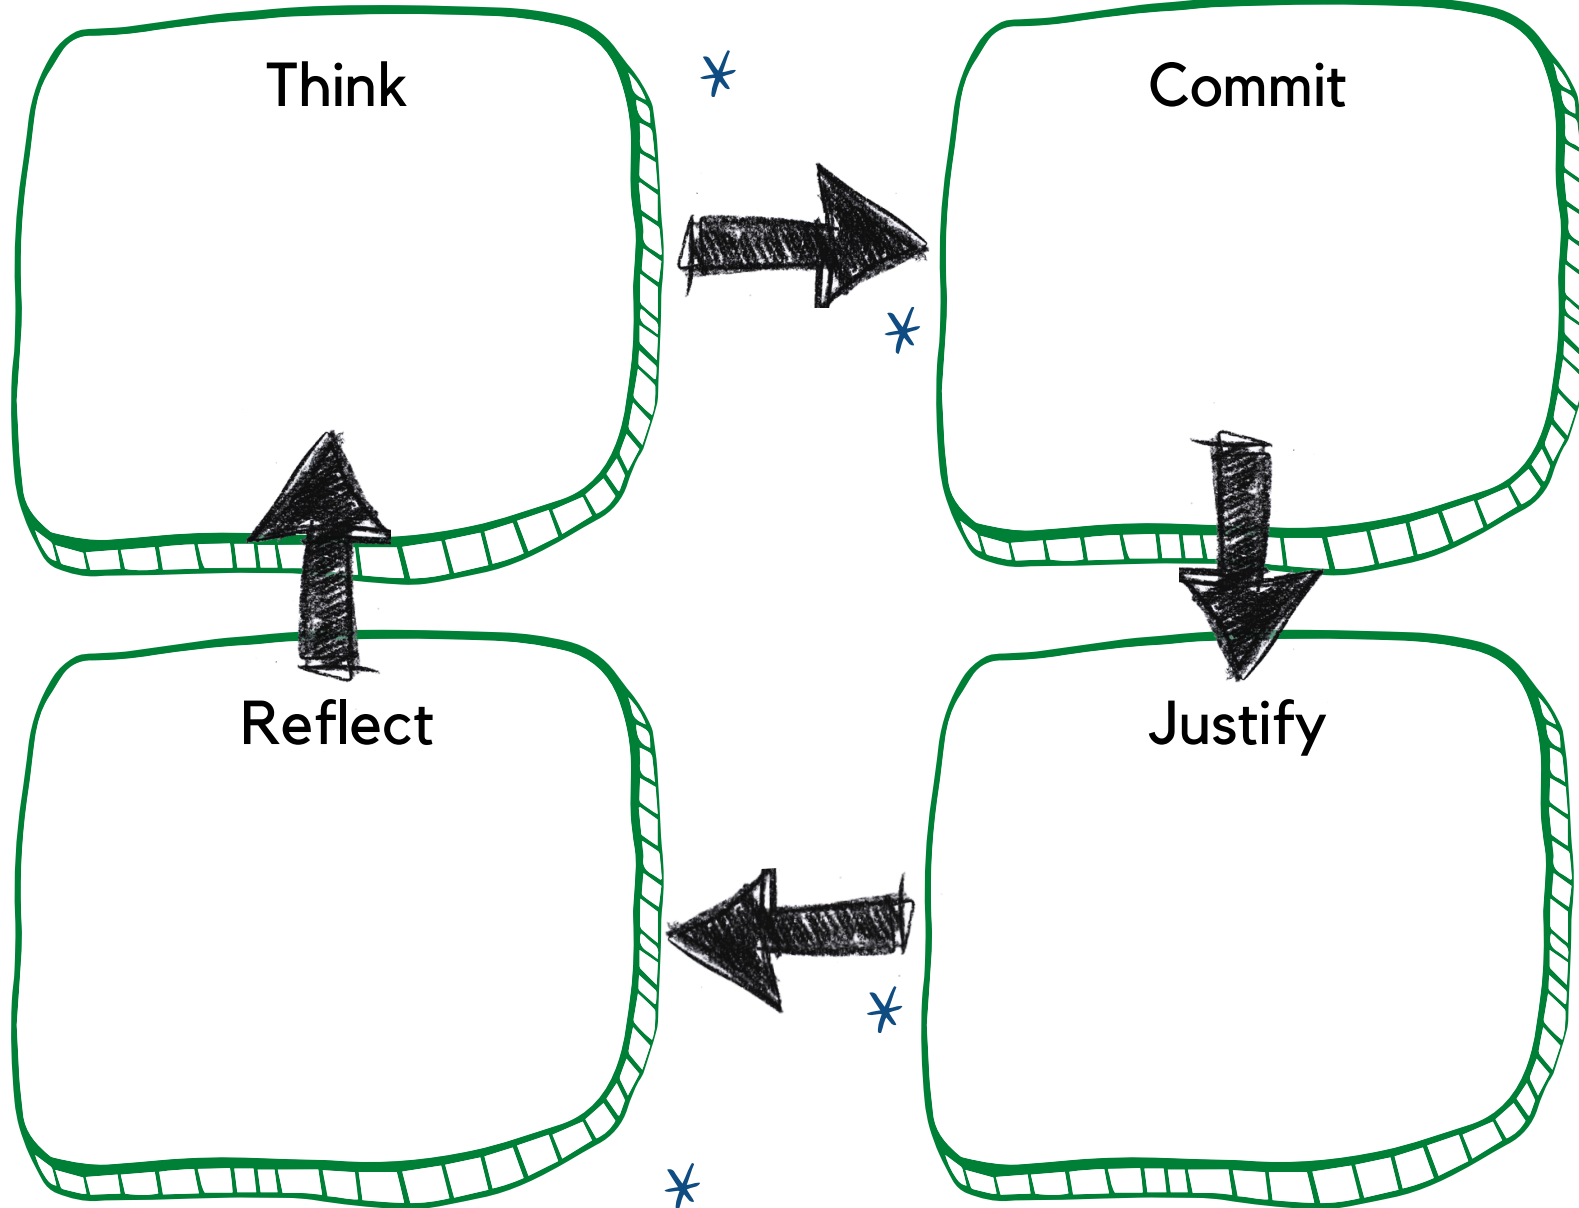

Method

How are you going to do your investigation?

Results

How are you going to record and show your results?

Conclusion

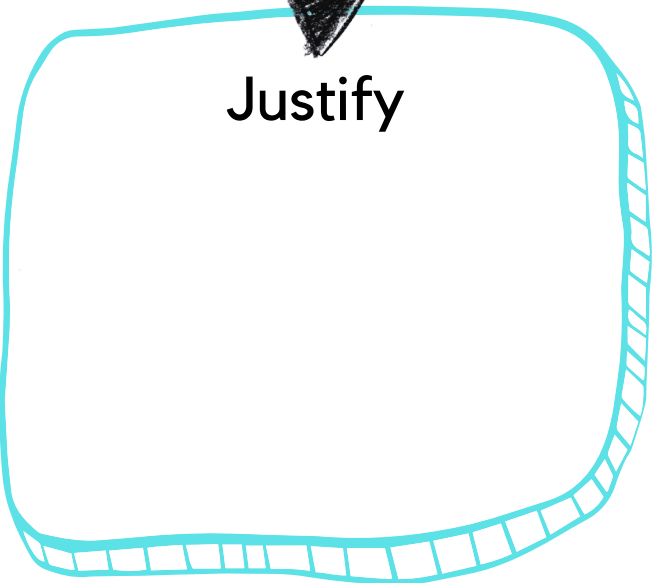

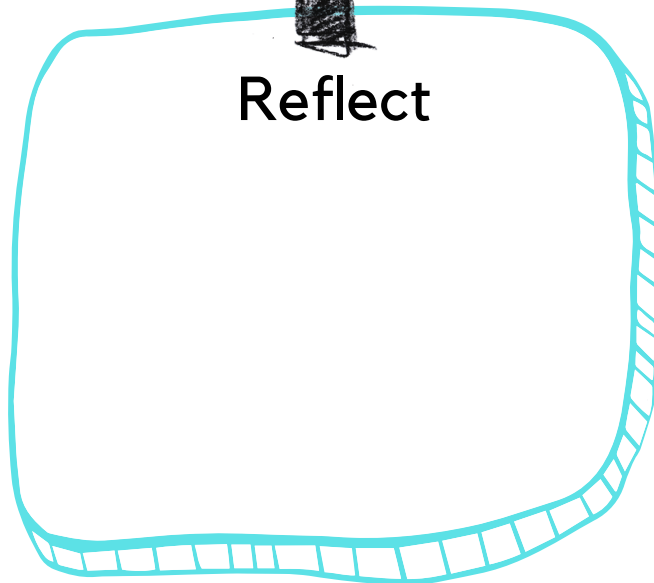

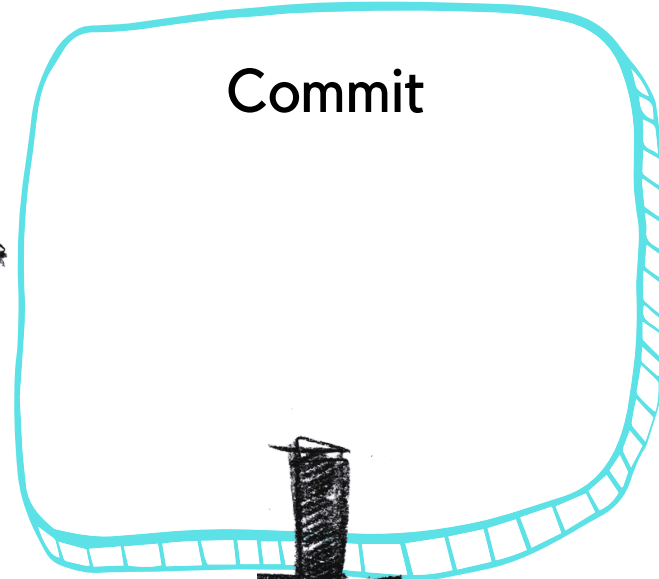

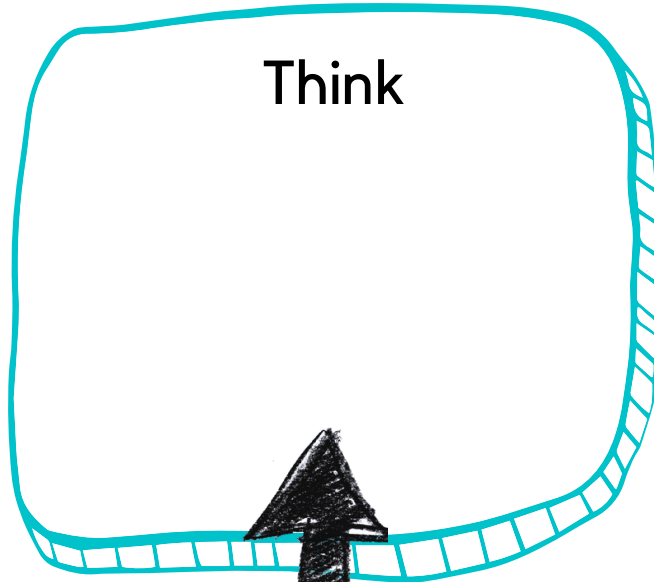

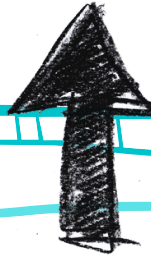

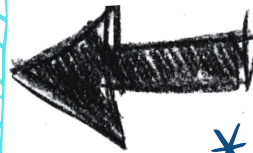

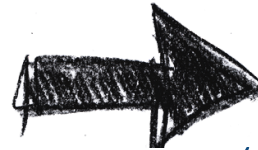

What do your results show? What statements can you now make because of your results?

Think

Commit

Reflect

Justify

Evaluation

What went well with your investigation? What would you do the same and what would you do differently? Are your results reliable?
