Junior School: 01344 773496

7<sup>th</sup> June 2024

Dear Parents/Carers,

## **Help Needed with Maintenance!**

Unfortunately, we are without our Site Controller for the next four months, which means that no work is taking place for general maintenance of Oaklands Schools. In addition, we currently have financial difficulties in both schools, so we are not in a position to be able to buy in any help.

Please may we reach out to ask if anyone has any time/skills/tools available where they can offer assistance every now and then for a few hours at a convenient time to help out?

We are currently needing help in both schools with guttering that needs clearing but also in some instances fixing, so that the rainwater does not pour over the guttering and down the outside walls. This is needed urgently in both schools. If there is any other family member you know with the time and skills to look at this for us, then we would love to hear from you.

Other jobs include:

- Basic cracks or repairs needed for walls/ceilings and maybe some painting/decorating
- Blinds are another problem in both schools – some have lost the ability to be raised/lowered!
- Occasionally we have taps that drip or don't turn off.

Any help similar to the above, or anything not listed that you would be willing to offer, would be very gratefully appreciated.

Kind regards,

Mrs H. West  
Headteacher  
Oaklands Junior School

Miss E. Weston  
Headteacher  
Oaklands Infant School
