

# PTA 2023/24 ROUND UP

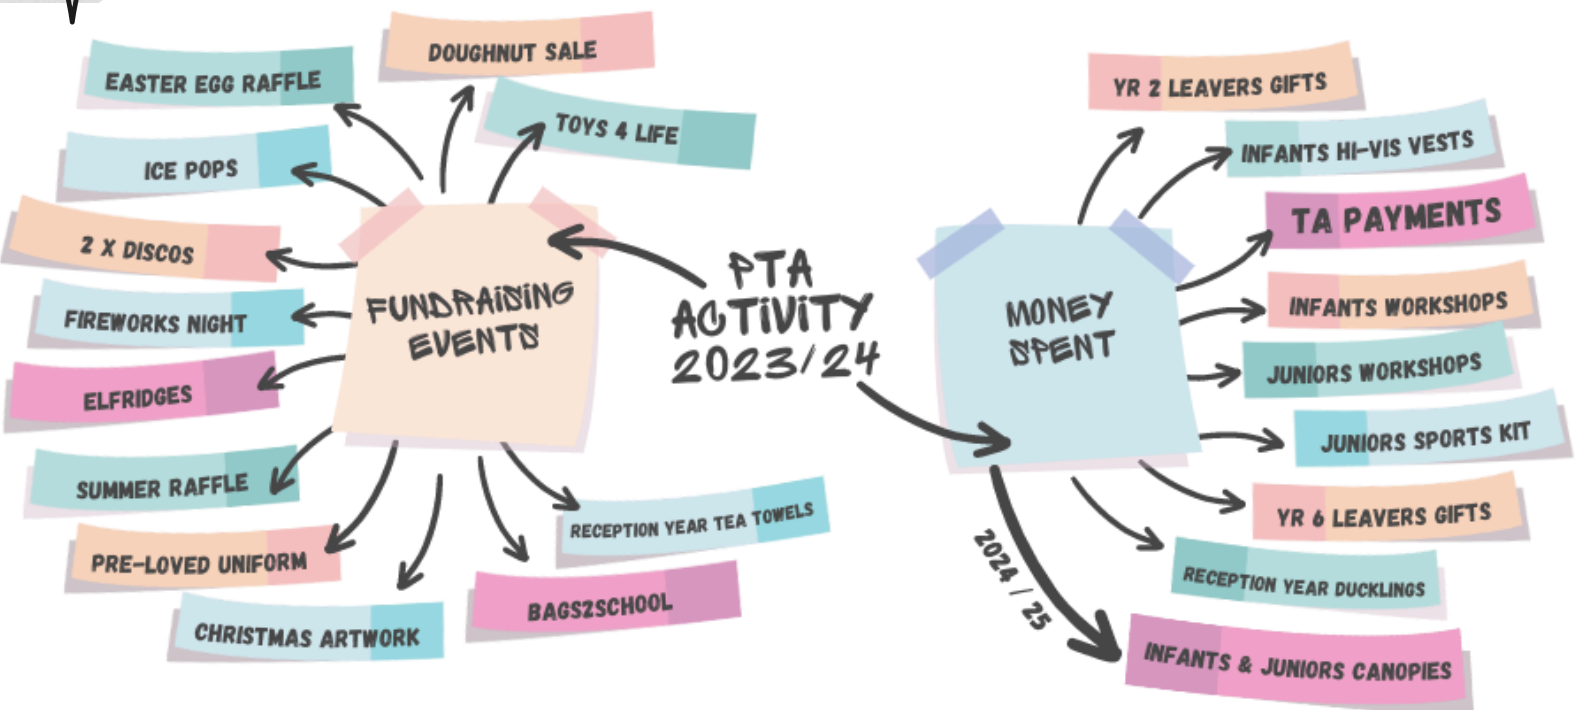

## A BIG THANK YOU!!

It's been a busy year trying new things and running the well loved classics! The graphic below shows the events we have run throughout the academic year and where we've spent the money we have raised.

None of this would have been possible without the ongoing support of the Oaklands Community - the parents, carers, staff, volunteers and children. You support everything we do with time, donations, attendance and spending your cash.

We know that times are tough, we all have more demands on our time & money than ever before so we do not under-estimate your support and we really are grateful.

We are now saving up to purchase some canopies for both schools, to help create some all weather spaces. As you can imagine, these are very expensive so if you have any ideas to help support this effort, please let us know!
