Maths Online Learning - FREE

Learn from home and at your own pace with our new online learning platform. Various courses available including:

- Help with your Maths – general numeracy upskilling
- Help your child with Maths – covers school years 3-7
- Maths for the Workplace – various maths courses available for specific industries including business and administration, construction, hospitality and catering, health and social care, hair and beauty, and sport
- Maths for ESOL

Initially you will be invited to an introductory session where you will learn more about the online learning available. You will then be asked to complete a short maths assessment (it is not a test) to get an idea of your maths level, so that we can provide you more support should you need it.

You will then be free to complete your learning in your own time and at your own pace.

Up and coming introductory sessions:

Maths for ESOL

- 9 October, Wednesday, 7-8pm, online via Zoom

Help your Child with Maths

- 15 October, Tuesday, 7.30-8.30pm, online via Zoom or
- 19 November, Tuesday, 10.30-11.30, online via Zoom

Help with your Maths

- 5 November, Tuesday, 7.30-8.30pm, online via Zoom

Maths for the Workplace

- 2 December, Monday, 7-8pm, online via Zoom

We also run some other courses and are currently organising dates for these. They include:

- Excel for Beginners
- Word for Beginners
- Creating and Delivering Presentations (PowerPoint)
- Introduction to working in Care and the NHS
- Money Management

To register your interest, you can book on to the course waiting list on our website.
