Wednesday 4th December 2024

Dear Parent/Carer,

We have some exciting news about our 'in-house' Christmas Fayre which will be held on the afternoon of Friday 13th December. This year, we have also invited Year 2 children from the Infants to join us.

An important part of our Maths curriculum, as well as life skills for our children, is to be able to work out what can be afforded within a limited budget by making considered choices. A small Christmas Fayre is an ideal way to learn in a fun and practical way!

On Decoration day, the children made extra items to sell to their peers. These will range from sweets bags to home-made crackers. Alongside sales, we will also run traditional Christmas Fayre games to add to the fun and a cake sale in the morning.

Games will be 25p a go and the items for sale will range from 50p to £1.50.

In addition, there will be a range of free activities for the children to enjoy without the need for any money. Part of the preparation will be for the children to sign up to running and helping on stalls as well as working out what they may want to try or buy. At the end of the day if there are any items left for sale, we will run a stall out on the junior playground for the children/parents.

Tokens will be needed for purchases/games, with money being exchanged (1 token = 25p). To help us with making sure the children have their tokens for the 13th, we would request that children bring in their money by no later than Wednesday 11th December.

It would be a good idea for children to bring in a named shopping bag on the 13th December to help them carry anything home.

We look forward to our 'in-house' Christmas Fayre with lots of excitement and fun!

Yours faithfully,

Mr D Holland
Head of School
