

Children, and parents, from Years 3 to 6 are invited to an upcoming ARCH event at The Abbey School on **Wednesday 7 May from 16.15 - 17.15**.

We are delighted to be welcoming Sakthi Vaiyapuri, Professor of Cardiovascular & Venom Pharmacology at the University of Reading, to speak to you about the amazing world of snakes.

You will find out mind-blowing facts about these fascinating reptiles, from the way they slither to the tricks they use to catch food, and how snakes might be able to help us to cure disease. Professor Vaiyapuri will share snake secrets, fun stories and what to do if you come across a snake in real life.

Sign up is via the [Eventbrite page](#)
