

Stronger  
Starts.

In partnership with

1<sup>st</sup> October 2025

Dear Parents & Carers,

We are excited to announce that Tesco have chosen us to raise funds with their Stronger Starts **blue token** scheme **starting today** until mid-January!

Every time you shop at either:

**Tesco Express 5315, Greenwood Road, Crowthorne, RG45 6QX**

or

**Tesco Superstore 3411, 78 Finchampstead Road, Wokingham, RG40 2NS**

please take a **blue token** at the till and pop it in the stand for Acorn Under Fives. To check the locations please visit the Tesco website: <http://www.tesco.com/store-locator/uk>

We are raising funds to create an allotment next Spring for the children to help prepare, plant the seeds, care for the fruit and vegetables whilst they're growing and then enjoy eating. The funds will go towards planters, gardening tools for the children, compost, seeds, fruit trees and a greenhouse.

There will be 3 different projects running during this time and the project with the most tokens at the end of the scheme wins the full amount of funding (up to £1,500) for their project. 2<sup>nd</sup> place will receive up to £1,000 and 3<sup>rd</sup> place up to £500. We will be notified of the results in February 2026. The more tokens we receive, the more likely we can achieve first place so **please can you and all your friends and family shop at Tesco to support us!**

We will keep you posted on the project.

Thank you for your support!

Love The Acorns Girls and all the Acorns children xx
