Dear Parent/Carer,

As highlighted in our recent newsletter, thanks to the generosity of two families within our school community, we are now able to subscribe to Times Tables Rockstars (TTRS) for the whole school for the next two years. This is an app / website that offers the children the opportunity to learn their times tables in an engaging and fun way.

The aim is for the children to use it as a way of practising their times tables at home, should they wish to.

There is no expectation that they have to use TTRS to practise their tables, but it is an option should you want them to. The hope is that they will enjoy it and therefore want to use it more of their own volition!

This week, your child will have a session on the i-pads at school to log into TTRS for the first time and they will subsequently come home with a letter that details how to log on at home.

If you have any queries, please do not hesitate to contact me.

I would once again like to take this opportunity to thank the two families involved for their generosity in giving us the money to be able to offer all the children in our community the opportunity to use this great resource.

Kind regards,

Mr Lee  
Maths Subject Lead
