17th November 2026

Dear Parent/Carer,

We have some exciting news about our 'in-house' Christmas Fayre which will be held for our Junior children and the Year 2s on the afternoon of Friday 4th December.

An important part of our Maths curriculum, as well as life skills for our children, is to be able to work out what can be afforded within a limited budget by making considered choices. A small Christmas Fayre is an ideal way to learn in a fun and practical way!

On Decoration Day in the Juniors, our children will have made extra items to sell to their peers. Alongside sales, we will also run traditional Christmas Fayre games to add to the fun. Games will be 25p a go and the items for sale will range from 25p-£1.50.

In addition, there will be a range of free activities for the children to enjoy without the need for any money. Part of the preparation will be for the children to sign up to running and helping on stalls as well as working out what they may want to try or buy. At the end of the day if there are any items left for sale, we will run a stall out on the Junior playground for the children/parents.

Tokens will be needed for purchases/games, with money being exchanged (1 token = 25p). To help us with making sure the children have their tokens for the 4th, we would request that children bring in their money by no later than Friday 27th November. **Please do not send them in on the day with money**.

It would be a good idea for children to bring in a named shopping bag on the 4th December to help them carry anything home.

We look forward to our 'in-house' Christmas Fayre with lots of excitement and fun!

Yours faithfully,

Mr D Holland
Co-Headteacher
